# Rediscover the Grand Feeling of a Vacation

There are some things in life you think you'll never forget...how to ride a bicycle...the sound of your child's giggle...the scent of pure mountain air...the taste of fresh pineapple...the sight of the ocean.

Somehow though, enjoyment of even the simplest of life's pleasures can be prevented by the daily demands of your schedule. The familiar delights that enliven your senses may not be altogether forgotten, but they certainly can be lost in a busy routine.

Thankfully, vacations provide an essential opportunity to rejuvenate your spirit and indulge you in the kind of time you deserve...time with your family, time to literally explore new horizons. With Hilton Grand Vacations, vacation ownership is designed to be fun and flexible.

# The Power of Points

Club membership provides you with the ability to experience a lifetime of grand vacations...and each journey begins with a plan. Simply remember that the more extensive the vacation, the more time you should allow for planning. While dream destinations are most accessible when you request reservations as far in advance as possible, there are many vacation options that can be coordinated in shorter timeframes.

Hilton Grand Vacations Club is a point-based reservation system. The currency terms explained on page 21 describe the unique attributes of the points associated with the Club program. Please keep in mind that ClubPoints are allocated on an annual basis and have corresponding expiration dates at the end of each calendar year.

The extensive vacation options offered through Club membership are built upon a foundation of a few key concepts...the "currency" you will use to make your reservation, the destination you plan to visit, and the advance reservation guidelines for your preferred vacation.

KINGS' LAND BY HILTON GRAND VACATIONS CLUB

### **Your ClubPoints Currency**

To maximize the value of your ClubPoints, and prevent losing them to expiration, we offer a unique array of “point stretching” options. Each option enables you to broaden the boundaries of your ClubPoints currency... whether you prefer to save your points for a vacation in the future, access future point allotments for upcoming vacations, or add to your account of HHonors points. Please refer to the Club Fee Schedules on page 149 and 151 for applicable fees.

**ClubPoints** – the symbolic currency of the reservation rights of the vacation ownership interest(s) owned for that calendar year. ClubPoint allotments are determined by the resort location, season and accommodation type owned, and enable Members to access Club membership privileges.

Visit [hgvclub.com](http://hgvclub.com) any time to review your vacation options and make reservations online, or you may call a Club Counselor for assistance.

**Bonus Points** – another “currency” of the Club program, which may be awarded with the purchase of a vacation ownership interest or through other Club affiliated programs or ClubPartner relationships. Bonus Points are valid for a maximum of two years and may be used toward reservations for ClubPartner Perks, RCI exchange vacations and reservations at Club resorts during the Home Resort and Club Reservation windows.

Bonus Points may also be redeemed for specialty merchandise, distinctive gift certificates and may be applied toward annual maintenance fees owed. Bonus Points may also be converted into HHonors points, and may be combined with ClubPoints for ClubPartner Perks and RCI exchange vacations only.

**HHonors Points** – the “currency” of the award-winning Hilton HHonors program. Please refer to [HiltonHHonors.com](http://HiltonHHonors.com) for information regarding the earning and redemption of HHonors points.

# “Stretching” Your ClubPoints

ClubPoint allotments have corresponding expiration dates at the end of designated calendar years. To prevent losing ClubPoints to expiration, consider the following ClubPoint Stretching options:

## Deposit

You may **deposit** any or all of your 2011 or 2012 ClubPoints between January 1 and December 31, 2011 as described below:

- Deposit 2012 ClubPoints into the following year's account for travel through December 31, 2013 for Home Resort reservations, Club reservations, or ClubPartner Perks.
- Rescue any or all of your 2011 ClubPoints. Rescued ClubPoints are valid for reservations at Club Resorts during the Home Resort reservation and Club reservation windows from the date of rescue through December 31, 2012. Rescued ClubPoints may also be used for RCI exchange reservations from the date of rescue through December 31, 2012.
- Deposit 2011 ClubPoints with RCI. Such deposits are valid for RCI weekly and nightly exchange reservations from the date of deposit through an additional two calendar years.

- When requesting reservations using ClubPoints deposited to RCI, the applicable RCI Exchange Fee will be charged at the time of reservation confirmation or the initiation of a search request.

## Convert

From January 1 to December 31, 2011, you may **convert** any or all of your 2012 ClubPoints to HHonors points. Converted HHonors points will be applied to your HHonors account the first week of January 2012.

- Redeem points for a variety of HHonors Rewards.
- You may combine your converted HHonors points with HHonors points accumulated through stays at participating HHonors hotels and earned via HHonors partners for even more vacation options. As a Club Member in good standing, your HHonors points remain in your account until they are redeemed.
- The 2011 conversion value of ClubPoints to Hilton HHonors points is 1 to 25 (for example, 5,000 ClubPoints = 125,000 HHonors points). Conversion values may vary by Home Resort.

## Borrow

Throughout the year, you may **borrow** any number of your next year's ClubPoints, or deposited ClubPoints, for use in the current year. Borrowed ClubPoints may be used for Home Resort and Club reservations, ClubPartner Perks or exchange reservations.

# Reservations at Club Affiliated Resorts

There are several reservation options designed to accommodate a variety of vacation experiences. Each reservation planning window offers unique advantages. Reservations at most Club affiliated resorts may be booked online at [hgvclub.com](http://hgvclub.com). For resorts without online reservation service, please call Club for assistance. To review the fees associated with each type of reservation, please refer to page 151.

Please be aware that reservation options at West 57<sup>th</sup> Street by Hilton Club are uniquely defined on page 110. Hilton Club Member reservation options are presented on page 109 and the corresponding fees are presented on page 149.

## HOME WEEK RESERVATIONS

When you prefer to return to the resort where you own, you are entitled to the maximum advance reservation benefits offered through the Club.

- Vacation at your Home Resort for a full week during the season and in the type of unit you own.
- Your priority Home Week reservation period begins one year (365 days) prior to the start of your resort's designated check-in day and extends to nine months (276 days) prior to your preferred check-in date.

## CLUB RESERVATIONS

- For travel throughout the Club network of affiliated resorts, the Club reservation window enables you to make plans well in advance.
- Vacation at the Club resort of your choice during any season, and in any size accommodation available.
- Make reservations from nine months (276 days) before your preferred check-out day to one day before check-in.
- Three-night minimum stay using ClubPoints or Bonus Points.

## OPEN SEASON RESERVATIONS

When you have a more spontaneous spirit of travel, consider Open Season reservations using cash at Club affiliated resorts and RCI resorts.

- Make reservations starting 30 days before your check-out date and up to one day before your check-in date.
- Two-night minimum stay (for RCI resorts, three-night minimum stays and additional check-in requirements apply).

## CHANGEABLE RESERVATIONS

For all Home Resort and Club reservations using ClubPoints, a changeable reservation option is offered. This option allows you to modify reservation dates (for travel in the same calendar year), change the size or type of accommodations, location or the length of stay without incurring additional transaction fees. Please note that Home Resort and Club reservations using Bonus Points do not have changeable status.

If the reservation change uses the same or a greater number of ClubPoints required for the stay, changes may be made any time prior to your check-in date. If the reservation change decreases the number of ClubPoints required for the stay, changes may be made without penalty up to 31 days in advance of the check-in date. Within 30 days prior to arrival, no changes can be made and the standard cancellation policy applies.

Reservations booked online at [hgvclub.com](http://hgvclub.com) automatically receive changeable status and subsequent changes must be made online. When making a reservation via telephone, you have the option of securing a changeable reservation. Please see pages 149 and 151 for applicable fees.

### Tips for Reservations at Club Affiliated Resorts

- Determine the size of accommodations needed for the number of people traveling
- Each resort page features reservation windows and points charts designed to help you develop your plans

# Key Club Phrases

It is our pleasure to provide membership support services for more than 165,000 Club Member families worldwide. To clarify some of the most common phrases used in our ongoing Member communications, here are a few key definitions:

## RESORTS

**Affiliated Resort** – a resort that has entered into an agreement to participate in the Club program provided it maintains our high-quality standards of amenities and service. Many of the resorts affiliated with the Club are managed by Hilton Grand Vacations Company, and all offer a superb vacation ambience.

**Event Week** – a period of seven consecutive nights, during specific peak travel times, when Club Members owning intervals during these times have guaranteed reservation privileges. To review Event Weeks at designated resorts, please refer to the chart published on page 153.

**Occupancy Levels** – define the varying capacity levels of accommodations. Recommended Occupancy indicates the number of occupants most comfortably accommodated in each unit size. Maximum Occupancy indicates the maximum number of occupants allowable in each unit size.

Maximum occupancy limits are determined by local regulations and Hilton Grand Vacations hospitality standards.

Please refer to the descriptions on page 52 and consider these standards when reviewing the respective unit sizes published on each resort description page.

# Frequently Asked Questions

## ***Why must ClubPoint deposits and Hilton HHonors point conversions be requested in advance?***

Points deposited into future years must be offset with points that are borrowed from the same year to maintain inventory balance from year to year. When you convert ClubPoints to HHonors points, the Club requires sufficient time to “rent” the applicable Club accommodations that you will not utilize. The rental proceeds are then paid to HHonors in exchange for the allocation of HHonors points.

## ***What is the difference between using ClubPoints and Hilton HHonors points when making reservations at hotels in the Hilton portfolio of brands?***

When utilizing Hilton HHonors points, you may make reservations and order reward confirmations online at [HiltonHHonors.com](https://www.hilton.com/hhonor) for stays at participating HHonors hotels. You may also call Hilton HHonors directly for reservations and program assistance.

If you prefer to use your ClubPoints for hotel stays, simply visit [HiltonHHonors.com](https://www.hilton.com) to determine

your preferred hotel destination, then call Club for availability and reservations. The ClubPoints needed for reservations in each of the HHonors hotel categories are listed on page 29. Reservations are subject to availability.

Remember, ClubPoints may also be converted to Hilton HHonors points for use in the HHonors program. Once your converted points are deposited into your HHonors account, please visit [HiltonHHonors.com](https://www.hilton.com) for HHonors point redemption values and additional travel packages.

# Getting Started – Resort Vacation Planning

As you make plans for a resort vacation, consider the recommendations we offer in response to frequently asked questions from Members:

## ***Where can I find information about Club resorts?***

We recommend that you begin by reviewing the collection of resorts on pages 49–127. We also encourage you to visit [hgvclub.com](http://hgvclub.com). Our Club Counselor staff is also a great resource for additional resort details. If we cannot readily respond to your inquiry, we will research your question and provide a timely response.

## ***How far in advance should I request a vacation?***

The sooner the better! As a rule, holiday and summer vacations require more advance planning than other times. Home Week reservations allow you preferred access to weekly stays at your Home Resort; Club reservations are for a minimum of three nights; and Open Season cash rental reservations are for a minimum of two nights and allow Members to reserve remnant inventory at value rates. At West 57<sup>th</sup> Street by Hilton Club, Home Resort reservations offer an additional window of advance reservation planning exclusively for owners at this property.

## ***Are requests for specific units or locations within a resort accepted?***

The Club was created to provide its Members with maximum flexibility. Therefore, in order to provide the greatest number of Members with access to our affiliated resorts, we can only accept requests for handicapped-accessible units at the time a reservation is made. However, you are guaranteed the size of the unit that is confirmed.

# Hilton Grand Vacations Club Rules

## RESORT RESERVATIONS WITHIN THE CLUB

Each year Club Members receive an allotment of ClubPoints symbolic of the reservation rights of the vacation ownership interest(s) owned in the Club program. Members who own biennial weeks receive an annual allotment of ClubPoints every other year. The number of allotted ClubPoints is based upon the Home Week owned considering the particular resort, season and unit type owned. Assigned ClubPoints are automatically deposited into a Member's account and utilized to make reservations in accordance with the rules herein. If a Member does not use allotted ClubPoints during a given year, they shall expire at the end of the year.

There are four types of resort reservations within the Club:

- 1) Home Week
- 2) Home Resort (currently applies only to West 57th Street by Hilton Club™)
- 3) Club
- 4) Open Season

1. Home Week reservations are seven consecutive nights reservations at the resort at which a Member has an ownership interest in the season and unit type owned, checking in on the resort's standard check-in day, ("Home Week"). Members have a priority reservation period to reserve their Home Week during the "Home Week Reservation Window. This window lasts approximately ninety (90) days beginning one (1) year (365 days) prior to the start date of the desired check-in date and ending nine (9) months (276 days) in advance of the desired check-in date. When a Home Week reservation is confirmed, the entire annual allotment of ClubPoints assigned to the Member for that ownership interest is used.

Members who own a designated fixed or event week shall automatically have their week

reserved annually. In order to use a fixed or event week for other vacation options available the Member may visit the website at [hgclub.com](http://hgclub.com) or contact the Club to cancel the automatic reservation. If ClubPoints are borrowed against a fixed or event week, the Home Week reservation rights appurtenant thereto are relinquished and no automatic reservation will be made.

2. Home Resort reservations are made at the resort at which a Member has an ownership interest for any number of nights in any unit type available (subject to Member ClubPoint availability). There may be a minimum night stay requirement.

Home Resort reservations are currently only available to owners at West 57th Street by Hilton Club (also known as 57th Street Vacation Suites) and may only be used with ClubPoints associated with the specific ownership interest at that resort. Home Resort reservations may be made nine (9) months (276 days) prior to the check-out date up to forty-five (45) days in advance of the check-out date. Home Resort reservations may be offered at additional resorts in the future.

3. Club reservations require a three (3) night minimum stay in any resort accommodations available within the Club (subject to Member ClubPoint availability) during the "Club Reservation Window." The Club Reservation Window may vary by resort, but generally occurs nine (9) months (276 days) prior to the check-out date through one (1) day prior to check-in. The Club Reservation Window for West 57th Street by Hilton Club begins forty-four (44) days prior to the desired check-out date through one day prior to the check-in date and may require a minimum night stay. Refer to each resort's ClubPoint Values chart for details.

4. Open Season rental reservations are two (2) night minimum reservations in any resort accommodations available within the Club

by paying the applicable Open Season rental rate during a period of time referred to as the "Open Season Reservation Window." The Open Season Reservation Window may vary by resort, but generally occurs thirty (30) days prior to the check-out date through one (1) day prior to check-in. The Open Season Reservation Window for penthouse accommodations at the Grand Waikikian by Hilton Grand Vacations Club is limited to owners of penthouse units at that resort. There may be a minimum night stay requirement. The Open Season Reservation Window for West 57th Street by Hilton Club begins fifteen (15) days prior to the desired check-out date and is limited to owners at that resort. There may be a minimum night stay requirement.

Open Season rental reservations are available to Members for their personal use only. Check-in dates may be restricted. Open Season rental rates are per night and must be paid in full at time of confirmation. Please refer to the current Club Fee Schedule for applicable Open Season rental rates.

Unless a guest confirmation is obtained, all reservations shall be in the name of the Member. Guest confirmations are available for Home Week, Home Resort and Club reservations only. No guest confirmations permitted for Open

Season rental reservations. Guest confirmations are subject to fees as set forth in the Club Fee Schedule on page 151.

Reservation requests are processed on a first-come/first-served basis. The Club cannot guarantee that a specific reservation request will be confirmed; however, the earlier a reservation request is submitted, the better the chance that the preferred reservation may be confirmed. The best results are achieved by making reservations as far in advance as the reservation windows allow. Flexibility with travel dates and destinations will also impact the success of travel planning. Resort reservation requests may be made by telephone, website, mail or facsimile.

## CANCELLATIONS AND CHANGES

**Changeable Option.** A changeable option is offered for all Home Resort and Club reservations using ClubPoints which allows reservation modification by date (for travel in the same calendar year), unit size or type, location or duration, without incurring additional transaction fees.

If the reservation change uses the same or a greater number of ClubPoints required for the stay, the change may be made up to one (1) day prior to check-in. If the reservation change decreases the number of ClubPoints required

for the stay, the change may be made without penalty up to 31 days in advance of the check-in date. Within 30 days prior to arrival, no changes can be made and the standard cancellation policy applies.

All Home Resort and Club reservations booked online using ClubPoints at hgclub.com automatically receive changeable option status and subsequent changes must be made online. If a resort does not have online reservation capability, the changeable option is only available by telephone. When making a reservation via telephone, you have the option of securing a changeable reservation by paying the applicable changeable reservation fee (see the Club Fee Schedule). Bonus Points may not be used for changeable reservations.

Cancellation of reservations for any accommodations or benefits other than Affiliated Resorts, including RCI Exchange confirmations, ClubPartner Perk reservations, and reservations at Hilton portfolio of brands hotels are subject to the separate cancellation policies of such providers.

To cancel a Home Week, Home Resort, Club or Open Season reservation, Members must call the Club or visit hgclub.com, (note: not all reservations are eligible for online cancellation).

#### RCI EXCHANGE RESERVATIONS

Members may use their ClubPoints or Bonus Points to reserve accommodations in the RCI Exchange Program. The RCI Exchange Program is an independent external exchange program operated by RCI, LLC and affiliated with the Club. Reservations through RCI may be made for weekly or nightly stays and are confirmed on a space-available basis. **RCI Weekly Reservations.** RCI Weekly Exchange reservations may be requested up to two (2) years in advance and as late as two (2) days prior to the desired check-in date. If the requested accommodation is not available, Members may request an ongoing search for the preferred accommodations and check-in dates, which may be confirmed in the event a request can be fulfilled.

Cancellation of a weekly RCI Exchange reservation will result in forfeiture of the entire applicable exchange fee. All points will be returned to the Member's Club account if canceled twenty-one (21) days or more prior to the check-in date, and if less than twenty-one (21) days, the points shall remain in the RCI system for limited use therein. #### CLUBPARTNER PERKS INCLUDING HILTON PORTFOLIO OF BRANDS RESERVATIONS

Members may make reservations utilizing ClubPoints or Bonus Points at participating hotels in the Hilton portfolio of brands and with participating ClubPartner vacation and travel programs.

The points Travel Chart provides the specific number of points required to secure a reservation at a participating Hilton portfolio of brands hotel. The point values listed are subject to change and participating hotels may vary from time to time. Participating hotels may be located within the "find a hotel" section at HiltonHHonors.com. Availability at certain hotels and/or timeframes may be limited.

If a reservation for a hotel is cancelled or changed, points will not be credited or returned to the Member's account. Instead, Members may only reserve alternate accommodations as permitted in accordance with the Hilton HHonors program. Cancellation policies may vary among participating hotels and resorts. The cancellation policy for other ClubPartner Perk programs is at the discretion of and varies

by each participating travel partner and Points may not be returned to a Member's account. When made with Bonus Points, ClubPartner reservations cancelled after the expiration date of the Bonus Points will result in forfeiture of applied Bonus Points.

Please refer to HiltonHHonors.com for equivalent HHonors point values and for a complete listing of participating Hilton HHonors hotels and their corresponding categories. Valid hotel reward documentation must be provided at check-in. All hotel reward certificates are governed by the Terms and Conditions of the Hilton HHonors Program.

ClubPartner Perks and Hilton HHonors programs are independent programs made available from time to time. The benefits available through these programs, including point values, participating partners, programs, services and accommodations are subject to change, suspension or discontinuation at any time without prior notice. ClubPartner reservation requests are confirmed based on space availability. Each respective ClubPartner governs all terms and conditions of ClubPartner programs. ClubPartner Perks are more fully described in the Features section of the Member Guide. Please refer to the Club Fee Schedule for applicable fees.

To make ClubPartner Perks reservations or to order travel certificates utilizing ClubPoints, Members must contact the Club. ClubPartner Perk options may have a 30-day advance booking requirement.

#### POINT STRETCHING

**Club Deposit.** On or before December 31 of the current year, Members may deposit any or all of their next year's allotment of ClubPoints into the following year's account (a "Club Deposit"). Club Deposited points may not be used to make a Home Week reservation and Club Deposited points may not be carried over beyond one (1) year. A Deposit Fee applies.

**Borrow.** Members may borrow any number of their next year's ClubPoints, or previously Club Deposited points, to make Home Resort, Club, ClubPartner Perk or RCI Exchange reservations in the current year. Borrowed points may not be used to make a Home Week reservation. If ClubPoints are borrowed, Home Week reservation rights during the Home Week reservation period for the year in which the ClubPoints were borrowed are relinquished.

**Convert to HHonors.** On or before December 31 of the current year, Members may convert any or all of the following year's ClubPoints into Hilton HHonors points at the current applicable conversion rate. Deposited, Rescued and Borrowed ClubPoints may not be converted to HHonors points. For 2011, the standard conversion value of ClubPoints or Bonus Points to Hilton HHonors points is 1 to 25 (for example, 5,000 ClubPoints or Bonus Points = 125,000 HHonors points). Bonus Points must be converted to Hilton HHonors points prior to their expiration. Once converted, the transaction is final and HHonors points may not be converted back to ClubPoints or Bonus Points. Increased conversion rates may be offered in connection with special promotions from time to time. Additionally, owners at West 57th Street by Hilton Club may receive an increased conversion rate when converting the entire allotment of ClubPoints attributable to the following year's Home Week. This increased conversion rate is: 1 to 30 for penthouse units, 1 to 40 for one bedroom and studio premier units, and 1 to 50 for studio plus units. Conversions for less than the entire allotment may be made at the standard rate of 1 to 25. Conversion rates are subject to change without notice; however, such changes shall only apply toward future conversions. Converted HHonors points will be deposited in the Member's HHonors account during the first week of January of the year for which the points were converted. A Conversion Fee applies.

Once ClubPoints or Bonus Points are converted to HHonors points, the applicable HHonors points are subject to the rules and regulations

of the Hilton HHonors Program Terms and Conditions and all transactions using HHonors points must be made by contacting the HHonors Customer Service Center.

All Members are automatically enrolled in the Hilton HHonors Program for the duration of their Club membership. One HHonors account may be established per Club Member account. Please refer to the Hilton HHonors Program Terms and Conditions for further details governing the HHonors program.

**Rescued Points Deposit.** On or before December 31 of the current year, Members may “rescue” any of their remaining ClubPoints from expiring, by depositing their ClubPoints into the following year’s account for reservations at Club Resorts during the Home Resort and Club reservation windows or for RCI weekly or nightly reservations for travel in the following year only. Previously deposited or rescued ClubPoints are not eligible. A Rescue Fee applies.

**RCI Deposit:** Members may deposit current-year ClubPoints or previously deposited ClubPoints into the RCI Exchange Program for future weekly and nightly RCI exchange reservations. RCI deposits are valid from the date of deposit through an additional two calendar years. Once ClubPoints are deposited into the RCI Exchange Program, the transaction is final and ClubPoints may not be returned to a Member’s Club account. An RCI Deposit Fee applies. An RCI Exchange fee will be charged at the time of confirmation or the initiation of an RCI search request.

To Deposit, Borrow, or Convert ClubPoints, Members must contact the Club via telephone or visit [hgclub.com](http://hgclub.com).

**ClubPoints Protection.** On or before December 1 of each year, Members may pre-plan to preserve remaining ClubPoints through the RCI Deposit or Rescued Points Deposit options described above. Participants will be charged the applicable transaction fee on or around December 15 when the ClubPoints are deposited or rescued. Members may elect to

participate in ClubPoints Protection and select a protection preference on an annual basis. Only one automatic deposit option per account permitted. Previously rescued points are not eligible for ClubPoints Protection.

**ClubPoint Expiration.** In the event a Member fails to use any or all of their ClubPoints before expiration, the ClubPoints will expire and will not be available for use in succeeding years. The Member shall have no reservation, exchange, resurrection or other point stretching options rights for any or all expired ClubPoints. ClubPoints are not transferable. Members should monitor their ClubPoint balances through [hgclub.com](http://hgclub.com).

**Bonus Points:** From time to time, Members may have the opportunity to receive and redeem Bonus Points. Such points may be used:

- to make non-changeable reservations during the Home Resort and Club Reservation windows at Affiliated resorts
- for ClubPartner Perks (such as cruises and Forever Resorts)
- for RCI Exchange reservations
- for hotel reservations throughout the participating Hilton portfolio of brands
- as a credit toward maintenance fees owed
- for conversion into HHonors points
- for various other options such as airline vouchers, event tickets, and shopping certificates offered from time to time

Bonus Points cannot be transferred or assigned and cannot be borrowed, rescued, or deposited into next year’s account. Bonus Points cannot be used to reserve accommodations during the Home Week reservation window or for Changeable Reservations. Bonus Points may not be used to pay reservation or transaction fees. Bonus Points used toward maintenance fee payments are limited to the amount due only. Credits toward future maintenance fee payments are not permitted. Member remains responsible for payment of any portion of the maintenance fee not paid by the Bonus Points. Bonus Points have no redemption cash value, but

when using Bonus Points toward maintenance fees, 2,500 Bonus Points are equivalent to approximately \$250 and are only calculated in U.S. Dollars. When using Bonus Points for exchanges, each Bonus Point is equivalent to approximately one ClubPoint.

Any unused Bonus Points expire two (2) years from the date of award. If a Member sells or transfers their timeshare interest and their Club Membership terminates, unused Bonus Points shall expire. Bonus Point usage may be subject to additional terms and conditions. Available Bonus Point redemptions, rewards and terms and conditions may change from time to time.

## RESORT DETAILS

**Check-in Requirements.** At time of check-in, Members or guests must present a valid government issued photo identification, a major credit card, and a copy of their confirmed reservation. Some resorts may place a credit hold on your credit card for incidental charges during your stay. Unless specific arrangements are made prior to check-in, no minor will be permitted to check-in unless accompanied by an adult. Minors shall be considered to be persons not of legal age, generally less than 18 years of age. Arrival and departure must comply with established check-in and check-out restrictions at the resort. Members who plan to arrive after a resort’s designated check-in time must contact the resort directly in advance to determine

whether late check-in is available or to request late check-in arrangements.

**Guests.** Guests not accompanied by a Member must obtain a Guest Confirmation prior to check-in. Only Members may obtain Guest Confirmations by contacting the Club or through [hgclub.com](http://hgclub.com) and providing the guest name and address at least 48 hours prior to guest check-in. Guest will be required to present major credit card upon check-in. Guest Confirmation fees are provided in the Club Fee Schedule. Any change or cancellation to a Guest Confirmation must be made by the Member. If a new Guest Confirmation is required, an additional fee may apply.

**Third Party Information.** Information about resorts, ClubPartner Perks, the Hilton portfolio of brands, RCI and other benefits and services is obtained from each provider. Reasonable efforts are made to ensure the information is accurate as of the date such information is published; however, Hilton Grand Vacations Club, LLC (“Hilton Grand Vacations”) and its affiliates, are not responsible for and disclaim any liability for any inaccurate, incomplete or misleading information.

**No Liability.** Hilton Grand Vacations and its affiliates, and each of their officers, directors, employees and agents shall have no liability to Members or their guests for any loss, injury or damage occurring as a result of the Member, a resort or the Club’s action or failure to act. Any liability will be limited to the transaction fees paid, if any. Hilton Grand Vacations is not liable or responsible for a Member’s failure to make beneficial use of their ClubPoints or to receive a specific reservation outside of the Member’s Home Week reservation.

**Accommodations Unavailability.** In the event accommodations become unavailable due to a natural disaster, act of God, war, terrorism, civil unrest or any other event beyond the control of Hilton Grand Vacations, neither Hilton Grand Vacations nor its affiliates shall be liable for any resulting cancellations. All reservations shall be subject to the cancellation policy

and alternative accommodations may not be available. Membership may be suspended or modified in the event the vacation ownership interest owned becomes unavailable for use.

**Resort Restrictions.** Members and their guests may not use resort property benefits or services except during a confirmed stay. If a Member cannot comply with restrictions established by a resort for which the Member has a confirmed reservation, the Member is responsible for contacting the resort to request special arrangements, if available. However, resorts have no obligation to accommodate special requests. Occupancy at any resort is limited to no more than thirty (30) consecutive days. Members requesting reservations at their Home Resort may receive priority through advance booking windows over other Members who do not own at that resort.

**Occupancy Restrictions.** Each resort establishes occupancy restrictions for specific accommodations. Information concerning the recommended and maximum number of occupants per unit type, available check-in days and restrictions on the minimum number of nights per reservation is available in the Member Guide. Failure to abide by occupancy restrictions may result in additional charges or denial of access. No pets, other than service animals, are allowed at Affiliated Resorts. Affiliated Resorts are private property. As such, the Club reserves the right to restrict access to any persons; however, the Club has no obligation, duty or other requirement to screen or otherwise confirm the status of guests or prospective guests.

Beginning the first day of the Open Season reservation window, Hilton Grand Vacations reserves the right to utilize accommodations for its own purposes including for exchange, inspection visits, promotions, rentals or any other purposes in Hilton Grand Vacations' sole discretion. Additionally, when a Member exchanges their ClubPoints for benefits or services other than Affiliated Resort accommodations, such as ClubPartner Perk reservations or HHonors points, Hilton Grand

Vacations must pay the third party for the Member's use thereof. As such, Hilton Grand Vacations, in its sole discretion, may rent or otherwise use the accommodations relinquished by that Member or other unused inventory to cover the cost of such third party benefits and services. Additionally, inventory owned by a developer or an affiliated resort and not yet sold, may be made available for reservation by Members or used by the developer for any purpose including but not limited to, exchange, rental and promotional purposes.

**Additional Charges.** Some resorts may require additional fees for the use of certain amenities, housekeeping services, utilities and facilities. These fees, where required, are determined and collected by the resort. In addition, some jurisdictions may require payment of a tax on the occupancy of resort accommodations. Payment of any transient occupancy tax is the responsibility of the Member or guest staying at the resort and is not part of any Club fee.

**Damages and Expenses.** Any damage to personal property, resort property or furnishings or expense caused or incurred by a Member or their guest is the sole responsibility of the Member.

**Grievance.** Concerns about accommodations or services provided at a resort or other provider should be directed to the accommodating party at the earliest opportunity. If a concern is not resolved, Members may contact Hilton Grand Vacations, Member Services at 6355 MetroWest Blvd., Suite 180, Orlando, Florida 32835.

**Units.** Other than a fixed unit and fixed week reservation, the unit for which a Member receives a confirmed reservation may differ in unit size, features, design, furnishings, amenities and access, including access for disabilities, from the vacation ownership interest owned and designated, if any, by the Member.

#### **ADDITIONAL TERMS**

**Affiliated Resorts** include Club Resorts and Club Eligible Resorts approved by Hilton Grand Vacations to be a part of the Club. Club Eligible

Resorts are those resorts for which Hilton Grand Vacations offers owners the option of becoming a Member in accordance with the Club Enrollment Agreement. Club Resorts are those resorts developed and sold by Hilton Grand Vacations or one of its affiliates in which membership in the Club is a condition of ownership.

**Membership Qualification.** Membership must be in the name of a lawful owner of the vacation ownership interest. Members who share ownership of more than one interval may combine their membership account into one account so long as there is a common thread of ownership for the affected intervals. Ownership is evidenced by a recorded deed only. Joined accounts may qualify for Elite benefits, if offered, if the common thread of ownership is among parents and their children or grandparents and their grandchildren. Corporations, partnerships, trusts or other entities or organizations may not join accounts. Any corporation, partnership, trust or other entity or organization holding title to a vacation ownership interest shall be required to designate an authorized individual to act on its behalf as the exclusive beneficiary to exercise any and all rights of membership. Membership shall automatically terminate if a Member no longer owns a vacation ownership interest at an Affiliated Resort or if the resort in which a Member owns, is no longer contractually affiliated with Club. Once membership is terminated, benefits and privileges of Club membership automatically and immediately cease. If a Member transfers or sells their vacation ownership interest, the new purchaser must provide Hilton Grand Vacations a copy of the recorded deed evidencing the new owner and applicable transfer fees.

**Club/Membership Use.** Membership benefits are only for the benefit of Club Members who own a vacation ownership interest at an Affiliated Resort. Members may be asked to answer security questions or otherwise verify identity prior to servicing. Hilton Grand Vacations has no obligation to provide services or benefits to Member guests or other

exchange, travel or other holiday clubs. Hilton Grand Vacations is not responsible for any loss, claim, demand or other injury, including, but not limited to, disclosure of private information, fraud, performance or non-performance of any transactions, or misapplication of funds, refunds, or credits, arising out of or related to the use of a Member account by any third party authorized, permitted or provided access to the account by the Member. Members are responsible for the activity that occurs on their account, and must keep their account access information secure. Participation and use of Club benefits is voluntary as it concerns the exchange of accommodations outside a Club Member's Home Week. However, reservations of a Home Week can only be made through the Club. Hilton Grand Vacations and each Affiliated Resort reserve the right to restrict or prohibit use of accommodations to any person deemed a safety or security risk.

**Program Changes.** Club program use options and rules, including but not limited to, the RCI Exchange Program, special exchanges, nightly point values, the Hilton HHonors program, ClubPoint Depositing/Borrowing/Converting, and ClubPartner Perks that may be offered from time to time, are subject to change, adjustment, suspension or discontinuation without notice. Any such changes will not apply to transactions confirmed prior to the effective date of any such change.

**Loss of Use.** Use of ClubPoints, Bonus Points, external exchange privileges, Hilton HHonors, ClubPartner Perks and other services and benefits offered through the Club, including occupancy or check-in at a resort, may be suspended or restricted if all applicable reservation fees, Club Dues, maintenance fees, mortgage payments, taxes or other charges or amounts properly due and owed to Hilton Grand Vacations or the applicable association or seller are not current or if a Member violates these rules, the terms of their Enrollment Agreement or any rules of an Affiliated Resort. In the event an Affiliated Resort's participation in the Club is suspended or terminated, Members who

own interests at such suspended or terminated resorts may have their membership suspended or terminated. Hilton Grand Vacations strongly supports a harassment-free workplace. Abusive verbal or written communications from Club Members to our employees will not be tolerated and may result in limitation or suspension of membership service privileges.

**Contact.** From time to time, Hilton Grand Vacations, and its affiliates, may offer products, services and Member benefits through mail, telephone and email. By participating in the Club program, Members expressly consent, request and agree to such contacts, including, but not limited to, solicitations using automated dialing equipment and/or pre-recorded messages. Each Member acknowledges and agrees that in order to benefit from membership privileges and services available through the Club and its affiliates, it is necessary for Hilton Grand Vacations to contact Members from time to time. Communications to and from Hilton Grand Vacations representatives may be recorded for training and/or quality assurance. For more information about the privacy policies of Hilton Grand Vacations, go to [hgvclub.com](http://hgvclub.com) or [hiltongrandvacations.com](http://hiltongrandvacations.com) and select the privacy policy link.

**Referral Program.** From time to time Hilton Grand Vacations and/or its affiliated entities may offer Members in good standing (i.e., mortgage payments, maintenance fees and Club dues are current) the opportunity to participate in a referral reward program. Any such program is limited to Members who have purchased a vacation ownership interest from Hilton Resorts Corporation or Hilton Grand Vacations Development Company – Las Vegas, LLC. Full terms and conditions of any such program are available from within the Member Rewards section of [www.hgvclub.com](http://www.hgvclub.com).

**Commercial Use.** Accommodations available through the Club are for the personal use and enjoyment of Members, the Members' immediate family, and guests personally known and acquainted with Members. The Club strictly forbids the use of the Club for commercial

purposes of Members or their guests including the use of a confirmed reservation in an Affiliated Resort for any rental, resale or other commercial use (other than an owner's Home Week). Any lease or rental agreement for a Home Week shall be deemed to contain a provision requiring that any sums due to the Club as annual Club Dues or due to the Association as assessments must be deducted from the gross rentals and paid directly to the party for which such sums are owed.

**Third Parties.** Select services and benefits made available through the Club, including but not limited to cruise services and hotel accommodations, may be operated, owned, managed and/or marketed by third parties outside the control of Hilton Grand Vacations. These benefits and services are separate and distinct from the Club, and its affiliates, and are subject to separate terms and conditions. Hilton Grand Vacations may suspend, alter or terminate any such third party services and benefits at any time.

**No Representations.** Representations upon which a Member may rely concerning the Club are limited to those contained in the Member Guide and Club Disclosure Statement or otherwise supplied in writing from an authorized representative of Hilton Grand Vacations. No other representations are valid or binding on Hilton Grand Vacations. Hilton Grand Vacations makes no representation as to the income, sales or other tax consequences of or associated in any way with membership, including any referral program, the acquisition of HHonors points through the Hilton HHonors Worldwide Guest Reward program or as to the deductibility of any related expenses.

**Governing Law.** Membership is governed exclusively by the laws of the State of Florida. Any action at law or inequity by a Member regarding membership must be submitted to the Courts of Orange County, Florida and by participating in the Club, each Member consents to the personal jurisdiction of Florida. In the event any action at law or inequity is initiated by a Member and Hilton Grand Vacations prevails, the Member shall be required to pay all costs

incurred by Hilton Grand Vacations in defending such action, including reasonable attorney fees.

## MEMBERSHIP AND POINT ALLOCATION

Each purchaser of an ownership interest at a Hilton Club Property is also a member ("Member") of The Hilton Club exchange program (also referred to as the "Club"). The Hilton Club Property at which a Member owns an ownership interest is known as that Member's "Home Club." Each Member receives an annual allotment of points symbolic of the reservation right of the vacation ownership interest owned in relation to other vacation ownership interests currently existing in the Club. These points are sometimes referred to as "Points," "CityPoints" or "ClubPoints" and are based upon such factors as unit type, seasonality, resort amenities, historical occupancy and supply and demand. The number of Points assigned to a Member is a fixed amount determined at the time the Member acquires their ownership interest. Points are assigned into a Member's account annually and are valid for immediate use. Members who own biennial weeks receive an annual allotment of Points every other year. If a Member does not use their allotted Points during a given year, they shall expire at the end of the year.

Refer to the Resorts section of the Member Guide for specific details for each participating resort.

**b. RCI Exchange.** Members may use their Points to reserve accommodations in the RCI Exchange Program, an independent external exchange program operated by RCI, LLC ("RCI") and affiliated with the Club. Reservations through RCI may be made for weekly or nightly stays and are confirmed on a space-available basis. Please refer to the chart of Points Values for RCI Exchange Reservations on the next page to determine the number of Points required for an RCI Exchange.

- RCI Weekly Reservations. RCI Weekly Exchange reservations may be requested up to two (2) years and as late as two (2) days

prior to the desired check-in date. If the requested accommodation is not available, Members may request an on-going search for the preferred accommodations and check-in dates, which may be confirmed in the event a request can be fulfilled.

**Cancellations.** Cancellation of a weekly RCI Exchange reservation will result in forfeiture of the entire applicable exchange fee. All Points will be returned to the Member's Club account if canceled twenty-one (21) days or more prior to the check-in date and if less than twenty-one (21) days, the Points shall remain in the RCI system for limited use therein.

- RCI Nightly Reservations. RCI Nightly Exchange reservations may be made up to ten (10) months in advance of the check-in date and as late of the day of check-in. Travel must occur prior to the expiration of the allotted Points. An on-going search option is not available with nightly reservations.

Cancellation of a RCI Nightly Exchange reservation will result in forfeiture of all reservation fees. Cancellation thirty (30) days to fifteen (15) days in advance of the check-in date will result in forfeiture of 25% of the Points used to confirm the reservation. Cancellation fourteen (14) days to six (6) days in advance of the check-in date will result in forfeiture of 50% of the Points used to confirm the reservation. Cancellation five (5) days or less in advance of the check-in date will result in forfeiture of 100% of the Points used to confirm the reservation.

Members may also access unreserved RCI accommodations utilizing Points or by paying a special Member rental rate during the RCI Open Season Reservation Window which ends two (2)

days prior to check in and has a minimum three (3) night stay requirement. Check-in dates for resorts available through RCI vary and typically fall on Friday, Saturday or Sunday. Cancellation of an Open Season rental reservation through RCI will result in forfeiture of \$125 of the fee paid for the reservation. Cancellation of an RCI Open Season reservation using Points is subject to the Resort Reservation Cancellation policy.

**c. ClubPartner Perks and Hilton Portfolio of Brand Reservations.** Members may make reservations utilizing Points in participating hotels in the Hilton portfolio of brands and with participating Club Partner vacation and travel programs.

The Points Travel Chart provides the specific number of Points required to secure a reservation at a participating hotel in the Hilton portfolio of brands. The Point values listed are subject to change and participating hotels may vary from time to time. Participating hotels may be located within the "find a hotel" section at HiltonHHonors.com. Availability at certain hotels and/or timeframes may be limited.

If a reservation at a Hilton portfolio hotel is cancelled or changed, Points will not be credited or returned to the Member's account. Instead, Members may only reserve alternate accommodations as permitted in accordance with the Hilton HHonors program. Cancellation policies may vary among participating hotels and resorts. The cancellation policy for other Partner Perk programs is at the discretion of and varies by each participating travel partner and Points may not be returned to a Member's account.

Reservation requests are processed on a first-come/first-served basis and confirmed based on availability. There is no guarantee that a specific reservation request will be confirmed; however, the earlier a reservation request is submitted, the better the chance that the preferred reservation may be confirmed. The best results are achieved by making reservations as far in advance as the reservation windows allow. Flexibility with travel dates and destinations will also impact the success of travel planning. Check-in day determines Point values for an entire stay, as reservations may overlap seasonal values. Resort reservation requests may be made by telephone, website, mail or facsimile.

The RCI Exchange program, Hilton Grand Vacations Club exchange programs, ClubPartner Perks and Hilton HHonors programs are independent programs separate from the Club. The benefits and services available through such programs and providers including point values, participating resorts, transaction fees, services and accommodations are subject to change, suspension or discontinuation at any time without prior notice. Each such provider or program governs all the terms and conditions of use of such programs and offered benefits. RCI Exchange Program reservations and services

are subject to the terms and conditions of RCI. Please refer to the Hilton Club Fee Schedule for applicable fees.

To reserve accommodations at a Hilton Club Property or make a Special Exchange, please contact Member Services.

**RCI Deposit.** Members may deposit current year's or previously deposited Points into the RCI system for future weekly and nightly exchange reservations. Such deposits are valid for travel from the date of deposit through an additional two calendar years. Once Points are deposited into the RCI system, the transaction is final and Points may not be returned to a Member's Club account. An RCI Deposit Fee applies. An RCI Exchange Fee will be charged at the time of confirmation or the initiation of an RCI search request.

**Points Expiration.** In the event a Member fails to use any or all of their assigned Points in a given year, the Points shall expire at the end of that year and will not be available for use in succeeding years. The Member shall have no reservation, exchange, resurrection or other points stretching options rights for any or all

expired Points. Points are not transferable. Members should monitor their Point balances through myhiltonclub.com.

**Points Protection.** On or before December 1 of each year, Members may pre-plan to preserve remaining Points through the RCI Deposit or Rescued Points Deposit options described above. Participants will be charged the applicable transaction fee on or around December 15 when the Points are deposited or rescued. Members may elect to participate in Points Protection and select a protection preference on an annual basis. Only one automatic deposit option per account permitted. Previously rescued points are not eligible for Points Protection.

**Bonus Points.** From time to time, Members may have the opportunity to receive and redeem Bonus Points. Such Points may be used:

- to reserve accommodations through Hilton Grand Vacations Club during the Club reservation window

- for travel through Partner Perks
- for RCI Exchange reservations
- for hotel reservations throughout the participating Hilton portfolio of hotels
- as a credit toward maintenance fees owed
- for conversion to HHonors points
- for various other redemptions benefits such as travel vouchers redeemable for airline travel, car rentals, event tickets and shopping certificates offered from time to time

Bonus Points cannot be transferred or assigned and cannot be borrowed, rescued or deposited into next year's account. Bonus Points cannot be used to reserve accommodations during the Home Club or the Club Reservation Windows at The Hilton Club – New York. Bonus Points may not be used to pay reservation or transaction fees. Bonus Points used toward maintenance fee payments are limited to the amount due only. Credits toward future maintenance fee payments are not permitted. Member remains responsible for payment of any portion of the maintenance fee not paid by the Bonus Points. Bonus Points have no redemption cash value, but when using Bonus Points toward maintenance fees, 2,500 Bonus Points are equivalent to approximately \$250 and are only calculated in U.S. Dollars. When using Bonus Points for exchanges, each Bonus Point is equivalent to approximately one Point.

Any unused Bonus Points expire two (2) years from the award date. If a Member sells or transfers their timeshare interest and their Hilton Club Membership terminates, unused Bonus Points shall expire. Bonus Point usage may be subject to additional terms and conditions. Available Bonus Point redemptions, rewards and terms and conditions may change from time to time.

To Deposit, Borrow, or Convert Points, Members must contact the Club via telephone or visit myhiltonclub.com. To reserve vacation or travel arrangements using HHonors points, Members may contact Hilton HHonors.

## FEES

Each Member must pay annual Club Dues. Additionally, certain reservations and transactions require a fee. Annual Club Dues for Members is currently \$217.

## RESORT DETAILS

**Check-in Requirements.** At time of check-in, Members or guests must present a valid government issued photo identification, a major credit card, and a copy of their confirmed reservation. Some resorts may place a credit hold on your credit card for incidental charges during your stay. Unless specific arrangements are made prior to check-in, no minor will be permitted to check-in unless accompanied by an adult. Minors shall be considered to be persons not of legal age, generally less than 18 years of age. Arrival and departure must comply with established check-in and check-out restrictions at the resort. Members who plan to arrive after a resort's designated check-in time must contact the resort directly in advance to determine whether late check-in is available or to request late check-in arrangements.

**Guests.** Guests not accompanied by a Member must obtain a Guest Confirmation prior to check-in. Only Members may obtain or change Guest Confirmations by contacting the Club or through myhiltonclub.com and providing the guest name and address at least 48 hours prior to guest check-in. Guest will be required to present major credit card upon check-in. Any change or cancellation to a Guest Confirmation must be made by the Member. Guest Confirmations apply to reservations made with the Member's Points or HHonors points. Open Season reservations at The Hilton Club – New York are for the benefit of Members and their immediate family. Open Season Reservations at Hilton Grand Vacations Club Resorts are only for reservations in the name of the Member.

**Third Parties.** Select services and benefits made available through the Club, including but not limited to cruise services, hotel accommodations, and accommodations available through external exchange programs, may be operated, owned, managed and/or marketed by third parties outside the control

of the Club. These benefits and services are separate and distinct from the Club and its affiliates, and are subject to separate terms and conditions. Reasonable efforts are made to ensure the information is accurate as of the date such information is published; however, the Club and its affiliates are not responsible for and disclaim any liability for any inaccurate, incomplete or misleading information. The Club may suspend, alter or terminate any such third party services and benefits at any time.

**No Liability.** The Club, operated by Hilton Grand Vacations Club, LLC, shall have no liability to Members or their guests for any loss, injury or damage occurring as a result of a Member, a Resort, or the Club's action or failure to act. The Club is not liable or responsible for a Member's failure to make beneficial use of their Points or to receive specific reservations outside of the Member's Home Club reservation. Any liability will be limited to the transaction fees paid, if any.

**Accommodations Unavailability.** In the event accommodations become unavailable due to a natural disaster, act of God, war, terrorism, civil unrest or any other event beyond the Club's control, the Club, operated by Hilton Grand Vacations Club, LLC, shall not be liable for any resulting cancellations, all reservations shall be subject to the cancellation policy and alternative accommodations may not be available. Membership may be suspended or modified in the event the vacation ownership interest owned becomes unavailable for use.

**Resort Restrictions.** Members and their guests may not use resort property benefits or services except during a confirmed stay. If a Member cannot comply with restrictions established by a resort for which the Member has a confirmed reservation, the Member is responsible for contacting the resort to request special arrangements, if available. However, resorts have no obligation to accommodate special requests. Occupancy at any resort is limited to no more than thirty (30) consecutive days.

**Occupancy Restrictions.** Each resort establishes occupancy restrictions for specific

accommodations. Information concerning the recommended and maximum number of occupants per unit type, available check-in days and restrictions on the minimum number of nights per reservation is available in the Resorts section of the Hilton Grand Vacations Club Member Guide. Failure to abide by occupancy restrictions may result in additional charges or denial of access. No pets, other than service animals, are allowed at resorts. Affiliated resorts are private property. As such, the Club reserves the right to restrict access to any persons; however, the Club has no obligation, duty or other requirement to screen or otherwise confirm the status of guests or prospective guests.

**Additional Charges.** Some resorts may require additional fees for certain amenities, housekeeping services, utilities and facilities. These fees, where required, are determined and collected by the hotel or resort. In addition, some jurisdictions may require payment of a tax on the occupancy of hotel or resort accommodations. Payment of any transient occupancy tax is the responsibility of the Member or guest staying at the resort and is not part of any Hilton Club fee.

**Damages and Expenses.** Any damage to personal property, resort property or furnishings; or expenses caused or incurred by Members or their guest(s) is the sole responsibility of the Member.

**Grievance.** Concerns about accommodations or services provided at a resort or other provider should be directed to the accommodating party at the earliest opportunity. If a concern is not resolved, Members may contact Club Services at 6355 MetroWest Blvd., Suite 180, Orlando, Florida 32835.

**Resort Collection.** Information about resorts available within the Club is obtained from the resorts and third party exchange program providers. Reasonable efforts are made to ensure the information is accurate and complete as of the date such information is published. However, the Club and its affiliates are not responsible and disclaim any liability for any inaccurate, incomplete or misleading

information concerning any such Resort Collection. All reservations are made subject to availability and subject to the rules and regulations of the applicable resort.

## ADDITIONAL TERMS

**Membership Qualification.** Membership must be in the name of a lawful owner of the vacation ownership interest. Any corporation, partnership, trust or other entity or organization holding title to a vacation ownership interest shall be required to designate an authorized individual to act on its behalf as the exclusive beneficiary to exercise any and all rights of membership. Membership shall automatically terminate if a Member no longer owns a vacation ownership interest at a Hilton Club Property or if the resort in which a Member owns, is no longer contractually affiliated with the Club. Once membership is terminated, benefits and privileges of Club membership automatically and immediately cease. If a Member transfers or sells their vacation ownership interest, the new purchaser must provide Hilton Grand Vacations a copy of the recorded deed evidencing the new owner and applicable transfer fees.

**Membership Use.** Membership benefits are for the exclusive use and enjoyment of Members in good standing who own a vacation ownership interest a Hilton Club Property and their guests. Usage of Points, exchange privileges and reservations may be suspended or restricted if a Member is not "in good standing." A Member is considered "in good standing" if the Member is current on all payments, maintenance fees, Club Dues and other amounts properly due and owed to the Club or a Hilton Club Property vacation owner's association. Members are responsible for the activity that occurs on their account, and must keep their account access information secure. Members may be asked to answer security questions or otherwise verify identity prior to servicing. The Club has no obligation to provide services or benefits to Member guests or other exchange, travel or other holiday clubs. The Club is not responsible for any loss, claim, demand or other injury, including, but not limited to, disclosure of private information, fraud, performance or non-performance of any

transactions, or misapplication of funds, refunds, or credits, arising out of or related to the use of a Member account by any third party authorized, permitted or provided access to the account by the Member. The Club reserves the right to restrict or prohibit use of accommodations to any person deemed a safety or security risk.

**Point Assignment and Expiration.** Points are assigned to Members annually and are valid for use after establishment of the Member's account (typically within sixty (60) days after the purchase of a vacation ownership interest), subject to the terms and conditions of the Club. Points are not transferable except in connection with the transfer of underlying vacation ownership interest. Participation in the Club is voluntary in the sense that a Member may elect to reserve use of accommodations in their Home Club during the Home Club Priority reservation window. Unused Points shall expire at the end of the calendar year and are not available for use in succeeding years. Hilton Club reserves the right to use any accommodations not reserved by Members six (6) months prior to check-in for its own purposes including for exchange, inspection visits, promotional use, rental, trade, point redemption recoup or any other purpose in Hilton Club's sole discretion. Members who do not act to reserve accommodations in their Home Club during the Home Club Priority reservation window acknowledge Hilton Club's right to make use of those accommodations. Additionally, when a Member exchanges their Points for benefits or services other than a Hilton Club Property or Hilton Grand Vacations affiliated resort, the Club may be required to pay the third party for the Member's use thereof. As such, the Club, in its sole discretion, may rent or otherwise use the accommodations relinquished by that Member or other unused inventory to cover the cost of such third party benefits and services. Additionally, inventory owned by a developer of resorts available with the Club and not yet sold to individual timeshare purchasers may be made available for reservation by Members and/or used by the developer for any purpose, including, but not limited to, exchange, rental and promotional purposes.

**Program Changes.** Club program use options and rules, including but not limited to, the exchange privileges, nightly point values, the Hilton HHonors Worldwide Guest Reward Program, Points Depositing / Borrowing / Converting, and Partner Perks that may be offered by the Club from time to time, are subject to change, adjustment, suspension or discontinuation without notice. Any such changes will not apply to transactions that were confirmed prior to the published date of any notice of change. In the event the Club adjusts nightly Point allocations, such adjustments shall not disturb the one-to-one, purchaser-to-accommodation ratio. Accordingly, any downward adjustment to a nightly Points allocation shall require an equal upward Points adjustment to another nightly allocation (likewise any upward adjustment shall require an equal downward adjustment) to ensure the total allocation of Points available for reservations remains constant.

**Loss of Use.** Usage of Points, external exchange privileges, Hilton HHonors, Partner Perk programs and other services and benefits offered by or through the Club, including occupancy or check-in at a resort, may be suspended or restricted if all applicable reservation fees, annual Club Dues, maintenance fees, mortgage payments, taxes or other charges or amounts properly due and owed to the Club, or the applicable association, or seller are not current, or if the Member violates these rules, the terms of an Enrollment Agreement, if any, or any rules of a resort available within the Club program and any rules of an affiliated resort. Additionally, Hilton Grand Vacations strongly supports a harassment-free workplace. Abusive verbal or written communications from Club Members to our employees will not be tolerated and may result in limitation or suspension of membership service privileges.

**Contact.** From time to time, the Club and its affiliates may offer products, services and Member benefits through mail, telephone and e-mail. By participating in the Club program, Members expressly consent, request and agree to such contacts, including, but not limited

to, solicitations using automated dialing equipment, electronic mail and/or pre-recorded messages. Each Member acknowledges and agrees that as a Member of the Club, in order to benefit from membership privileges, services and benefits available through the Club, and its affiliates, it is necessary for the Club to contact Members from time to time. Communications to and from Club representatives may be recorded for training and/or quality assurance. For more information about the privacy policies of Hilton Grand Vacations, go to [myhiltonclub.com](http://myhiltonclub.com) and select the privacy policy link.

**Referral Program.** From time to time the Club and/or its affiliated entities may offer Members in good standing (i.e., mortgage payments, maintenance fees and Club dues are current) the opportunity to participate in a referral reward program. Any such program is limited to Members who have purchased a vacation ownership interest from Hilton Resorts Corporation. Full terms and conditions of any such program are available from the Member Rewards section of [myhiltonclub.com](http://myhiltonclub.com).

**Commercial Use.** Accommodations available through the Club are for the personal use and enjoyment of Members, the Members' immediate family, and guests personally known and acquainted with Members. The Club strictly forbids the use of the Club for commercial purposes of Members or their guests including the use of a confirmed reservation at an affiliated resort for any rental, resale or commercial use. In the event any such use is made, the lease or rental agreement shall be deemed to include a provision requiring that any sums due to the Club as annual Club Dues or due the owners association as assessments must be deducted from the gross rentals and paid directly to the party for which such sums are owed.

**Third Parties.** Select services and benefits made available through the Club, including but not limited to cruise services, hotel accommodations, and accommodations available through external exchange programs, may be operated, owned, managed and/or marketed by third parties outside the control of the Club. These benefits and services are

separate and distinct from the Club and its affiliates, and are subject to separate terms and conditions. Reasonable efforts are made to ensure the information is accurate as of the date such information is published; however, the Club and its affiliates are not responsible for and disclaim any liability for any inaccurate, incomplete or misleading information. The Club may suspend, alter or terminate any such third party services and benefits at any time.

**No Representations.** Representations upon which a Member may rely concerning the Club are limited to those contained in the Club Disclosure Statement or otherwise supplied in writing from an authorized representative of the Club. No other representations are valid or binding. The Club makes no representation as to the income, sales or other tax consequences of or associated in any way with membership, including any referral program, acquisition of HHonors points through the Hilton HHonors Worldwide Guest Reward program or as to the deductibility of any related expenses.

**Governing Law.** Membership is governed exclusively by the laws of the State of Florida. Any action at law or inequity by a Member regarding membership must be submitted to the Courts of Orange County, Florida and by participating in the Club, each Member consents to the personal jurisdiction of Florida. In the event any action at law or inequity is initiated by a Member and the Club prevails, the Member shall be required to pay all costs incurred by the Club in defending such action, including reasonable attorneys' fees.

**Hilton Club Operation.** The Club exchange program is owned, operated and managed by Hilton Grand Vacations Club, LLC. All references in these rules to the Club include Hilton Grand Vacations Club as operator of the program.
